INTRODUCTION

Tribes are a group of people having distinct language, culture, lifestyle and socio-economic condition and are living in a specific geographical area. Normally, the tribes reside in interior forests, remote and inaccessible areas or in the outskirts of forests and hilly regions. According to Article 180 of the Constitution, the Scheduled Tribes are the tribes or tribal communities or part of groups within these tribes and tribal communities, which have been declared as such by the President through a public notification. As per the 2011 Census, the Schedule Tribes account for 10.42 million representing 8.6 percent of the country's population. The tribes are characterized by distinct cultures, shyness of contact with other community's at large and economical backwardness.

Immediately after independence, Governments both at National and State level had given much attention for the development and welfare of the tribes and this has resulted in improving the living conditions of the tribes across the nation.

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context it is proposed that, the tribal youth should be positively engaged and educated and for that; tribal youth exchange programmes will be of great help.

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context it is proposed that, the tribal youth should be positively engaged and educated and for that; tribal youth exchange programmes will be of great help.

Aims & Objectives

- To provide an opportunity to the tribal youth of 29 selected districts of 07 states for exposure visit to 10 different places of the country to understand the cultural ethos, language, lifestyles of the people depicting Socio –economic & Cultural Development & Development process unity in diversity aspect of our national life.
- To expose tribal youth to the technological and industrial advancement that have taken place in different states of the country with focus on various developmental activities, skill development, educational & employment opportunities available there.
- To sensitize the tribal youth about their rich traditional & cultural heritage and enable them to preserve it for the future generation.
- To help the tribal youth to develop emotional linkages with their peer groups in other part of the country and enhance their self esteem.
- To provide opportunities to the participants for interactions with Hon'ble President of India, PM & CM, Governor & other VIPs, the local communities, Panchayati Raj Institutions and the youths affiliated with the NYKS Youth Clubs so as understand development issues, seek guidance for their involvement in the process of development.
- To develop personality of the tribal youth by enhancing their understanding of Ten Core Life Skills, identify their skill development oriented training needs and fulfillment of their legitimate career aspirations through Employable Skills, Scheme of Government of India and State Govt. and provide them necessary guidance and career counseling.
- To provide exposure to industry and Skill Development programme. This can facilitate the provision of employment to the tribal youth.
- To provide literature on developmental schemes of the Central & State Govt. pertaining to tribals.

Concept & Methodology

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context 10th Tribal Youth Exchange Programme was organised for positively engages and educate them.

Methodology

After several rounds of high level meetings and Video Conferencing held with the senior officers of MHA, CRPF, BSF, SSB, ITBP and NYKS it was decided to organize 10th Tribal Youth Exchange Programmes at ten venues. The venues were viz. Hyderabad (Andhra Pradesh), Jaipur (Rajasthan), Delhi, Bengaluru (Karnataka), Surat (Gujarat), Mumbai (Maharashtra), Chennai (Tamil Nadu), Jammu (J&K), Lucknow (Uttar Pradesh) and Panchkula (Haryana). The programme was organised by the concerned State Directors, NYKS with support of concerned DYCs of NYK. A total of 1989 Tribal Youths drawn from 29 focused districts which are included in the list of 106 districts covered under the SRE Scheme of Ministry of Home Affairs.

Sufficient number of the participants were selected by NYKS and CAPFs to factor in last minute drop out of the participants

- From the selected 29 districts (selected by Ministry of Home Affairs, GOI) on an average 10-40 tribal youths, (per district in 50:50 male: female ratio) in the age group of 18-22 years along with 02 official escorts (01 male & 01 female) were allotted at each programme location (venues) from the states of Chhattisgarh, Jharkhand & Odisha, Andhra Pradesh, Telangana, Maharashtra & Bihar (Annexure-1).

- The representatives of Panchayati Raj Institutions were also included within the total no. of participants and age relaxations were given to them, wherever necessary.
- During the 07 days Tribal Youth Exchange Programme, National Level Seminar, Panel Discussions, Lecture Series, Skill Development, Industry visit, Hospitality related visit, Hospital related skill training, Career Guidance (especially self employment on tribal artefacts by renowned NGOs/ govt. agencies), Orientation on Hospitality and Hospital management, Patriotism related programme, Cultural Programmes etc, were organized. Apart from that, the participants were given opportunity to visit places of Historical and cultural importance of the host states. Interactive sessions with dignitaries and eminent personalities were value addition to this programme.

Broad Statistics about the issues

The tribal population of the country, as per 2011 census, is 10.43 crore, constituting 8.6% of the total population. 89.97% of them live in rural areas and 10.03% in urban areas. The decadal population growth of the tribal's from Census 2001 to 2011 has been 23.66% against the 17.69% of the entire population.

Tribals constitute a large percentage of population in Left Wing Extremism affected areas. As per data of Ministry of Home Affairs on state wise extent of LWE violence (during 2010-15), 2513 incidents took place during 2010 in which 1005 deaths were recorded. In 2011, 1760 incidents took place in which 611 deaths were recorded. In 2012, 1415 incidents took place in which 415 deaths were recorded. During 2013, 1136 incidents took place in which 397 deaths were recorded. In 2014, 1091 incidents took place in which 309 deaths were recorded. During the year 2015 (upto 15.04.15) 357 incidents took place with 79 deaths recorded.

From the above analysis, it is evident that LWE does present one of the gravest challenges to national security. The physical and demographic spread of the problem and the nature and degree of disillusionment reflects an unenviable reality, which requires sincere, unified and focused attention of every element of the government machinery to neutralise the hardline fringe Maoist element and simultaneously bring inclusive development to the areas.

There are 106 districts covered from 10 states viz. Andhra Pradesh, Bihar, Chhattisgarh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Telangana, Uttar Pradesh and West Bengal under SRE (Security Related Expenditure) to LWE affected states by the Ministry of Home Affairs, Govt. of India to address the issues.

29 districts covered under SRE Scheme were selected for 10th Tribal Youth Exchange Programme from the states of Chhattisgarh, Jharkhand, Bihar, Maharashtra, Andhra Pradesh, Telangana & Odisha for the year 2017-18.

Some Quotations on Youth extracted from the reports submitted by State Directors, NYS

Take up one idea. Make that one idea your life – think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success.

Excerpts from the speech of VVIPs & Dignitaries on 10th TYEP 2017-18

- **Shri N.N. Vohra, Hon'ble Governor, Jammu and Kashmir** observed that Tribal Youth Exchange Programme are extremely valuable for promoting understanding among people belonging to different areas of our vast country that speak different languages, follow different religion and are from diverse cultural background. He observed that such exchanges enable the youth from tribal communities to visit other States and get acquainted with people of different background. Governor observed that awareness amongst the tribal youth from various parts of India about the diversity which obtains in our country would contribute towards bringing all our people close to each other. He advised that such programmes need to be organised on a much larger scale, throughout the year.
- **Prof. Kaptan Singh Solanki, Hon'ble Governor of Haryana** said " I am very happy to know that you are from tribal states like Telangana, Maharashtra, Bihar, MP, Odisha. We all know it that NYKS is always dedicated to engaging the youth in a positive way to promote national Integration through this kind of programme from a long time. This is the 10th Tribal Youth Exchange Programme sponsored by the Ministry of Home, Gov. of India. I also want to congratulate the Ministry of Home Affairs, Govt. of India for this noble initiative. I have the opinion that this kind of programmes proved very effective in promoting national unity. He mentioned that after the independence (1947) these are the untiring efforts of our Great National Leaders, Sh. Vallabh Bhai Patel to unite the 500 princely states in to a single hole. He made the foundation of a strong nation by uniting these states. Post the independence till we could not achieve it fully to be prove a strong nation but now the time has come to forward to make India modern and strong nation. In his speech he highlights the role, responsibility and strength of Nehru Yuva Kendra Sangathan. He told that NYKS was established in 1972 which is doing very wonderful job to unite and aware the rural peoples with full dedication. His Excellency expressed these special words for NYKS - "We have an army of more than 80 Lacs of youth with NYKS which is biggest of Chinese army which counts 33 Lakh. " We must follow the Path and principles of Mahatma Gandhi. Our Prime Minister Sh. Narendra Modi Ji committed to clean the country by 2022 and I want to focus your attention in this regard. 10th Tribal Youth Exchange Programme aims at empowering tribals in Goregaon

The 10th Tribal Youth Exchange Programme was organized by Nehru Yuva Kendra Sangathan (NYKS), under Ministry of Youth Affairs & Sports, Government of India, at Aarey Colony in Goregaon from December 4 to 10.

RAM KUMAR A PAL

The objectives of the programme are to provide an opportunity to the tribal youth of selected states and districts to visit different places of the country to understand the cultural ethos, language, lifestyles of people depicting unity in diversity aspect of our national life, to expose tribal youth to the technological and industrial advantage taken place in different states of the country with focus on various development activities, and educational, skill development, employment opportunities available there etc.

As many as 220 tribal youths from nine districts of Jharkhand and Chhattisgarh took part in the week-long event.

The participants came from Ranchi, Latehar, Khunti, Simdega, Giridih, Gumalia, Palamu, Gadwa, Lohardaga, West Singhbhum and Kanker. The Central Reserve Police Force, Border Security Force and the Ministry of Home Affairs provided the resource personnel.

NYKS usually conducts such programmes in metro cities to show the participants how the cities work and to educate them about employment opportunities. They are encouraged to get involved and be a part of the society. The participants were divided as per their districts, with 20 from each in the age group 18 to 29 being clubbed together. Each day started with stress management and meditation exercises conducted by

Sanjay Gandhi National Park. Raja Sabha MP Amar Sahle, who was a guest at the concluding ceremony, said, "The tribal community has long been neglected, and the areas undeveloped. Naxalites have targeted these undeveloped areas. If these areas are given attention and developed by providing proper connectivity, schools and hospitals, then they come out of adversity."

Nehru Yuva Kendra Sangathan (NYKS), under Ministry of Youth Affairs & Sports, Government of India, is the largest grass root level youth organization in the country working for the welfare and development of youth especially rural youth. The NYKS activity is spread in 623 districts and in about 3 lakh villages. Over the years NYKS has been involved in organizing youth exchange programmes for bringing harmony, friendship, fraternity, integration and skill development among the youth.

Heartfulness Institute. The annual exchange programme, first introduced in 2007, has previously been held in Pune, Shimla and Mysore. Yashwant Mankhedkar, dis-

trict youth coordinator, NYKS, said the participants were guided in community and personality development and recruitment in the armed forces, and visited Navy Nagar and

JAIPUR: Two hundred youngsters from the Maoist-affected areas of Jharkhand and Chhattisgarh were in Jaipur for the past one week and learned about various things ranging from Rajasthan's architectural and cultural heritage to career avenues.

The youngsters, aged 18 to 25 years, were here under the 10th Tribal Youth Exchange Programme, which started on Monday. The programme was a joint initiative of the union home

ministry and the union ministry of youth affairs and sports.

"The idea behind the programme was to involve these youngsters in nation building. In addition, this helped in getting them exposure and was directed towards achieving parallel development of the areas they come from," said Mahesh Kumar Sharma, district coordinator of Nehru Yuva Kendra, Jaipur, which managed the programme.

During the week, the youngsters attended lectures on various topics and visited the city monuments such as Amer Fort, Jantra Mantar and Albert Hall

Museum. They were also taken to Lalwar, where the 63rd battalion Central Reserve Police Force (CRPF) is stationed. They learnt about the riot control exercises by the CRPF officers.

At the Bhagwan Mahaveer Viklang Sahayta Samiti centre, the visitors learnt about Jaipur foot, an artificial limb that simulates natural limb functions. A physically challenged youth among the visitors was fitted with the Jaipur foot at the centre.

Manita Kumari (22), a student of MA History from Chatra, Jharkhand, said that she was overwhelmed by the welcome

and attention she got in Jaipur. "The way people are welcomed here is impressive. We were also taught a lot of things and told to share the lessons back home," said Kumari.

A youth from Chhattisgarh said that he found the culture of Rajasthan "generous" and the education level "high". "I got to know that there are so many things we can do after Class 12 or even Class 10. I wanted to take a miniature elephant for home, but could not buy due to hurry," said Sunil Kumar Gota (21), who hails from Narayanpur, Odisha.
