GENERAL

(GENERAL INTRODUCTION AND PROGRAMME RATIONALE)

Tribes are group of people having distinct language, culture, lifestyle and socio-economic condition and are living in a specific geographical area. Normally, the tribes reside in interior forests, remote and inaccessible areas or in the outskirts of forests and hilly regions. According to Article 180 of the Constitution, the Scheduled Tribes are the tribes or tribal communities or part of groups within these tribes and tribal communities, which have been declared as such by the President through a public notification. As per the 2011 Census, the Schedule Tribes account for 10.42 million representing 8.6 percent of the country's population. The tribes are characterized by distinct cultures, shyness of contact with other communities at large and economical backwardness.

Immediately after independence, Governments both at National and State Level have given priority and importance for the development and welfare of the tribes. This has resulted in improving the living conditions of the tribes across the nation. Illiteracy, unemployment, poverty and its related syndromes have forced the tribes to alienate themselves from the national mainstream. Misinformation Campaigns by the disruptive forces have vitiated the situation further.

The tribes who are residing in the remote corners of the country are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the country, the extremist activities among them can be curtailed. In this context, it is proposed that, the tribal youth should be positively engaged and educated and in this regard, Tribal Youth Exchange Programmes are of great help.

Nehru Yuva Kendra Sangathan (NYKS) organizes Tribal Youth Exchange Programme (TYEP) for the development and empowerment of tribal youth with the support from Ministry of Home Affairs, Govt. of India. Fifteen Tribal Youth Exchange Programmes have so far been organized by NYKS successfully since 2006.

As per the minutes of project Approval Committee (PAC) meeting held on 10.07.2024 under the chairmanship of Additional Secretary (LWE), it was decided to organize 24 programmes under 16th Tribal Youth Exchange Programme during the year 2024-2025 for which 4,800 tribal youth drawn from interior parts of 39 blocks of 12 worst affected LWE districts from 05 States of Chhattisgarh, Jharkhand, Odisha, Maharashtra & Madhya Pradesh (as provided by MHA). The venues are **Bangalore (Karnataka), Delhi, Mumbai (Maharashtra), Gautambudh Nagar (Uttar Pradesh), Ahmedabad (Gujarat), North Kolkata (West Bengal), Vishakhapatnam (Andhra Pradesh), Delhi, Gurugram (Haryana), Pune (Maharashtra), Hyderabad (Telangana), Surat (Gujarat), Thiruvananthapuram (Kerala), Lucknow (Uttar Pradesh), Chennai (Tamil Nadu), Bangalore (Karnataka), Delhi, Jaipur (Rajasthan), Thane (Maharashtra), Chandigarh, Cochin (Kerala), Bhubaneswar (Odisha), Varanasi (Uttar Pradesh) and Mumbai (Maharashtra) respectively.**

AIMS & OBJECTIVES

The underlying concept of Tribal Youth Exchange Programme is based on interactive pattern, learning through sharing, exposure visits and showcasing the best practices of development process and scientific and technological advancement. It is expected that such template will trigger curiosity among participating tribal youth and they therefore may try to become part of mainstream development process. Besides, they may after departure to their native place leverage their knowledge and wisdom among their fraternity and peer group.

BROAD STATISTICS

The tribal population of the country, as per 2011 census, is 10.43 crore, constituting 8.6% of the total population. 89.97% of them live in rural areas and 10.03% in urban areas. The decadal population growth of the Tribal from 2001 to 2011 has been 23.66% against the 17.69% of the entire population.

Tribals constitute a large percentage of population in Left Wing Extremism affected areas. As per data of Ministry of Home Affairs on state wise extent of LWE violence (during 2014-18), 4347 incidents took place in which 1149 deaths were recorded. In 2014, 1091 incidents took place in which 318 deaths were recorded. In 2015, 1089 incidents took place in which 230 deaths were recorded. During 2016, 1048 incidents took place in which 278 deaths were recorded. In 2017, 908 incidents took place in which 263 deaths were recorded. During the year 2018 (upto 15.03.18) 211 incidents took place with 68 deaths recorded.

From the above analysis, it is evident that LWE poses gravest challenges to national security. The physical and demographic spread of the problem, nature and degree of disillusionment reflects an unenviable reality, which requires sincere, unified and focused attention of every element of the government machinery to neutralise the hardline fringe Maoist element and simultaneously, bring inclusive development in the affected areas.

There are 38 districts covered from 9 states viz. Andhra Pradesh, Chhattisgarh, Jharkhand, Kerala, Madhya Pradesh, Maharashtra, Odisha, Telangana and West Bengal under SRE (Security Related Expenditure) to LWE affected states by the Ministry of Home Affairs, Govt. of India to address the issues and there are 12 worst LWE affected districts among LWE districts as per the list provided by MHA during financial year 2024-25.

The 16th Tribal Youth Exchange Programme proposes selection of 4,800 participants (male & female) from LWE affected blocks of 12 districts during the year 2024-25 from the states of Chhattisgarh, Jharkhand, Odisha, Maharashtra & Madhya Pradesh.

Distribution Pattern of the Participants

The participants for the 16th TYEP will be identified from interior areas of the tribal belts of the participating States viz. Chhattisgarh, Jharkhand, Odisha, Maharashtra and Madhya Pradesh. Youth from vulnerable Tribal Groups will be included while selecting tribal youth, on priority.

The number of tribal youth participants are being drawn from interior part of 39 most LWE affected blocks of 12 districts to **participate in the** 16th Tribal Youth Exchange Programme at **Twenty-Four (24)** proposed venues as per the following details:
