# INTRODUCTION

Tribes are a group of people having distinct language, culture, lifestyle and socio-economic condition and are living in a specific geographical area. Normally, the tribes reside in interior forests, remote and inaccessible areas or in the outskirts of forests and hilly regions. According to Article 180 of the Constitution, the Scheduled Tribes are the tribes or tribal communities or part of groups within these tribes and tribal communities, which have been declared as such by the President through a public notification. As per the 2011 Census, the Schedule Tribes account for 10.42 million representing 8.6 percent of the country's population. The tribes are characterized by distinct cultures, shyness of contact with other community's at large and economical backwardness.

Immediately after independence, Governments both at National and State level had given much attention for the development and welfare of the tribes and this has resulted in improving the living conditions of the tribes across the nation.

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context it is proposed that, the tribal youth should be positively engaged and educated and for that; tribal youth exchange programmes will be of great help.

# Broad Statistics about the issues

The tribal population of the country, as per 2011 census, is 10.43 crore, constituting 8.6% of the total population. 89.97% of them live in rural areas and 10.03% in urban areas. The decadal population growth of the tribal's from Census 2001 to 2011 has been 23.66% against the 17.69% of the entire population.

Tribals constitute a large percentage of population in Left Wing Extremism affected areas. As per data of Ministry of Home Affairs on state wise extent of LWE violence (during 2010-15), 2513 incidents took place during 2010 in which 1005 deaths were recorded. In 2011, 1760 incidents took place in which 611 deaths were recorded. In 2012, 1415 incidents took place in which 415 deaths were recorded. During 2013, 1136 incidents took place in which 397 deaths were recorded. In 2014, 1091 incidents took place in which 309 deaths were recorded. During the year 2015 (upto 15.04.15) 357 incidents took place with 79 deaths recorded.

From the above analysis, it is evident that LWE does present one of the gravest challenges to national security. The physical and demographic spread of the problem and the nature and degree of disillusionment reflects an unenviable reality, which requires sincere, unified and focused attention of every element of the government machinery to neutralise the hardline fringe Maoist element and simultaneously bring inclusive development to the areas.

There are 106 districts covered from 10 states viz. Andhra Pradesh, Bihar, Chhattisgarh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Telangana, Uttar Pradesh and West Bengal under SRE (Security Related Expenditure) to LWE affected states by the Ministry of Home Affairs, Govt. of India to address the issues.

28 districts covered under SRE Scheme were selected for 9<sup>th</sup> Tribal Youth Exchange Programme from the states of Chhattisgarh, Jharkhand, Bihar, Maharashtra, Andhra Pradesh, Telangana & Odisha for the year 2016-17.

## युवाओं को अपने अधिकारों का ज्ञान होना जरूरी युवा आदान-प्रदान कार्यक्रम का हुआ समापन

लखनऊ (सं)। सभी युवाओं को अपने अधिकारों के बारे में पूरा ज्ञान होना चाहिए। वर्तमान में पूरे विश्व में भारतवर्ष में युवाओं की संख्या सबसे अधिक है। लेकिन भारत को इस युवा शक्ति को पहचान तो शिक्षित करना है, जिससे वह विभिन्न क्षेत्रों में अपना कोशल दिखा सके। साथ ही अपने परिवार, समाज व देश के विकास में अपना समत योगदान दे सके। यह बातें विचार को युवा आदान-प्रदान कार्यक्रम समापन के दौरान प्रमुख सचिव राजस्व अरविंद कुमार ने कही। उन्होंने कहा कि जब किसी भी समाज में वहां के व्यक्तियों, सरकारों और विभागों के बीच वाद-संवाद का संचार किसी

कारणवशा अवरूढ़ हो जाता है या फिर उसमें किसी प्रकार की बाधा डाल दी जाती है, तो ऐसी स्थिति में वहां के लोगों का मानसिक विकास उठना नहीं हो पाता है और अराजक तत्व उन्हें बड़े ही सहजता से विभिन्न आतंकी व नक्सली संगठनों की तरफ मोड़ देते हैं। उन्होंने बताया कि अभी तो सरकारी स्तर पर यह भी नीति बनायी जा रही है कि ऐसे युवाओं के लिये एक व्यापक स्तर पर वेब पोर्टल बनाया जाये और उसमें से युवाओं का पूरा डेटा कलेक्शन रखा जाये जिससे जब कोई कंपनी या संगठन इस पर क्लिक करे तो उसे अपनी जरूरत के मुताबिक योग्य व कुशल युवाओं की टीम मिल सके। उन्होंने

कहा कि यही नहीं गांव, आदिवासी व सूदूर क्षेत्रों के युवा अपने यहां के पारंपरिक व कूटीर उद्योगों में भी हाथ बंटा सकते हैं और अपना जीविकोपार्जन बेहतर ढंग से कर सकते हैं। कार्यक्रम का आयोजन युवा कार्यक्रम एवं खेल मंत्रालय भारत सरकार व नेहरू युवा केंद्र संगठन (एनवाईकेएस) के तत्वावधान में किया गया था। कार्यक्रम के समापन पर सीआरपीएफ के कमांडेंट श्यामचंद्र ने भी आदिवासी व नक्सली प्रभावित क्षेत्रों से आये युवाओं को सम्बोधित किया। उन्होंने कहा कि पहले आप सभी एक हिन्दुस्तानी ही इसलिये तन, मन व लानन के साथ अपने लक्ष्य को साधिये।
