INTRODUCTION

The Youth are vibrant and major human resources for strengthening democracy and development, and thus key agents for social and economic transformation of a country. There is a need for larger Youth involvement and participation in the socio-economic, cultural and political environment of the country and its development process.

The role and responsibility of the youth in Kashmir Valley is tremendous. They are the pride of the nation and considered as the real assets. They have innovative ideas and opinions. They have the capacities and capabilities of bringing positive changes in the working system of the State. However, in the present scenario, what they need is right directions that help them to identify their strength and understand the vision they hold for the State of Jammu and Kashmir and their motherland – the India.

The fragile socio-political landscape, affected by continuing violent conflict and instability has created a deep sense of uncertainty amongst the local population, particularly the youth. Kashmiri youth have grown up in this adverse environment and have faced tremendous stress. Kashmiri Youth Exchange Programme thus aimed to fight the feeling of desperation, anger and helplessness which is largely prevalent among them.

Kashmir Valley is facing multifarious problems due to sponsored terrorism and the youth's diversion from right path due to a variety of reasons. One of the major reasons behind youth getting involved in radical activities is the lack of access to various opportunities for their overall development.

What has now become increasingly important is to provide safe spaces to youth, mobilize, organize and channelize their energies towards their mainstreaming and partnership in Nation Building activities.

Government is taking several important measures for development process and peace initiatives in Kashmir Region.

The Kashmiri Youth Exchange Programme was visualized with an understanding that rural youth are highly receptive and impressionable and this is the time when love, care and self-experience together can create a good impact on their personality. Acculturation and socialization, the two main sociological and psychological processes through which youth learn and experiences were given utmost importance. Youth not only interacts amongst themselves but also with other fellow citizens and develop a sense of belongingness to the country.

FEEDBACK OF PARTICIPANTS

- “It was an excellent learning experience for us. We learnt how to behave with others. The hospitality that we have received from NYKS, West Bengal and the people of Bengal is unbelievable. Such exposure visits will help the Kashmiri youth to create better understanding and positive learning. At the time of arrival at Kolkata our thinking pattern was different and not so positive. But at the time of departure our thinking pattern has been changed. We learnt how to treat and respect the people and confident that after this exchange programme behaviour of Kashmiri Youth has been changed toward positivity because we got so much respect and love from the people of West Bengal. We enjoyed very much the camp and stay. I now want to spend my whole life in Kolkata” **exclaimed Sahid Hossain, one of the participants.**
- “During this Programme, I learnt a lot like how to be cooperative and munificent when you are away from your home. This was a memorable and wonderful tour and moment of my life. We are happy after seeing the culture and hospitality of Kolkata people. I am highly thankful to NYKS, West Bengal” **Said Mohammad Younis Khan, Team Leader, Srinagar**
- It was indeed a wonderful experience for me and Kashmiri youth. I am humbly thankful to be a part of this programme. I am happy to have learnt from intellectual people of Kolkata. They all are our inspirations. I gained a lot of self-belief and courage. One good thing of West Bengal is that people do not fight with each other; They are very cooperative. But in Kashmir we always fight with each other. Here we have learnt that any problem can be solved with cooperation from all section of society. The State Director, NYCs and other officials trained us on positivity, brotherhood and communal harmony. We learnt togetherness. The experience of the programme enriched us substantially. We will visit Kolkata again. Thank you Kolkata; miss you.” **Said Basit Bashir, Anantanag.**
- कश्मीर का प्रकृतिक सौंदर्य अप्रतिम है यहा मुस्लिम, हिन्दु, सिख और बौद्ध दर्शन मिलकर सामाजिक संस्कृति की रचना करते हैं मानवता और सहिष्णुता जैसे मानव मूल्य कश्मीरियत की पहचान रहे हैं। सूफी संस्कृति भी यहां की पहचान रही है। कश्मीर की सांस्कृतिक विरासत को देखते हुए कहा जा सकता है कि यह भारत की साझा विरासत ही तो है। यह बात तब और पक्की हो जाती है जब कश्मीर के युवाओं से संवाद का अवसर मिलता है। यह संयोग इस बार नेहरू युवा केन्द्र के माध्यम से बना। ये युवा लगभग 1 सप्ताह भोपाल में रहे, उन्हें विभिन्न पुरातात्विक महत्व के स्थलों का भ्रमण भी कराया गया। स्थानीय युवाओं से भी इनका संपर्क

निरंतर रहा। राष्ट्रीय एकता की दृष्टि से इस तरह के आयोजन बहुत महत्वपूर्ण है संपर्क और संवाद से ही संबंधों में ऊष्मा बनी रहती है। इस सब मायनों में यह आयोजन अच्छे परिणाम देने वाला होगा—ऐसा मेरा विश्वास है। नेहरू युवा केन्द्र के जिला युवा समन्वयक डॉ. सुरेंद्र शुक्ला जी एवं नेहरू युवा केन्द्र परिवार को सफल आयोजन की बहुत-बहुत बधाई।

-डॉ सुधीर कुमार शर्मा प्रधानयापक, महारानी लक्ष्मीबाई कन्या महाविद्यालय, भोपाल

- भोपाल के बारे में पहले से बहुत कुछ सुना था और यहां की ताजुल मस्जिद को देखने का बहुत मन था। वतन को जानो कार्यक्रम के दौरान हमें ताजुल मस्जिद एवं सांची का भ्रमण कराया गया। वास्तव में भोपाल गंगा जमुनी तहजीब का शहर है यहां पर हमारे नये दोस्त बनें। नेहरू युवा केन्द्र को यह मौका प्रदान करने के लिए शुक्रिया।

-अब्दुल रहमान टीम लीडर श्रीनगर

- यहा पर आकर हमें अपने वतन को जानने का मौका मिला। कई बार कई लोग हमारे प्रति जो धारणाएं बना लेते हैं पर पूरी तरह सत्य नहीं है कश्मीर में भी अमन और सुकून है। हम लोग भाईचारे से रहते हैं और हमारा पैगाम भी भाईचारे का है।

-पीर आशिफ बड़गाव

- युवा कार्यक्रम एवं खेल मंत्रालय तथा गृह मंत्रालय, भारत सरकार द्वारा नेहरू युवा केन्द्र संगठन के माध्यम से जल एवं भूमि प्रबन्ध संस्थान भोपाल में आयोजित वतन को जानो कार्यक्रम के तहत कश्मीर घाटी के चयनित जिलों के युवाओं के साथ शिविर में सहभागिता करने का अवसर मिला। युवाओं ने विभिन्न विषयों तथा वर्तमान परिदृश्य पर अपने विचार साझा किये। विभिन्न विषय विशेषज्ञों का लगातान मार्गदर्शन, ऐतिहासिक स्थल भ्रमण अविस्मरणीय है। कश्मीर के प्रतिभागियों ने राज्यों के लोकगायन-नृत्य एवं खाद्य-पदार्थ आदि साझा किये। इस तरह के कार्यक्रम निश्चित तौर पर देश की अखंडता, शांति, सद्भाव, भाईचारे एवं देशप्रेम को बढ़ाने में कारगर साबित होते हैं। कार्यक्रम के शुभारंभ से लेकर समापन की अवधि तक सभी प्रतिभागियों के विचारों में सकारात्मक परिवर्तन दिखाई दिये।

-अतुल सिंह राजावत नेशनल युथ वालंटियर भोपाल

- कश्मीर के प्रतिभागियों से मिलकर बहुत अच्छा लगा और वहा की साझा विरासत को जानने का मौका मिला। कश्मीर जिस प्रकार अपनी हस्त कला के लिए जाना जाता है उसे हमने यहां प्रदर्शनी के माध्यम से भी देखा। जब एक-दूसरे से हम मिलते हैं तो मेलजोल बढ़ता है इस कार्यक्रम के दौरान कई नए साथी बने और उन्होंने अपने घर आने के लिए भी आमंत्रित किया। मैं भारत सरकार का अभारी हूँ कि उन्होंने इस महत्वपूर्ण कार्यक्रम में हम युवाओं को यह अवसर प्रदान किया।

Kashmir youths on a mission to explore Kerala

STAFF REPORTER
KOZHIKODE

"I will be in the best position to create a beautiful world because I have experienced a not-so-beautiful world," these words of District Collector Seeram Sambashiva Rao are all the more significant when addressed to a group of youngsters from Kashmir.

Sixty-five young men from Jammu and Kashmir had an hour's interaction with the Collector on Friday, during which he briefed them about the socio-political scenario of Kerala and the cultural peculiarities that made it what it is today.

The delegation, mostly comprising students, is on a youth exchange programme in Kozhikode, and the purpose of the visit is to study the developmental initiatives in Kerala and learn from them. The programme is part of an initiative of the Union Ministry of Youth Affairs and Sports in association with Nehru Yuva Kendra Sangathan (NYKS).

Mr. Rao told the group about land reforms and the implementation of Panchayati Raj in its true sense, resulting in the overall development of the State.

Pointing out issues such as waste management and highlighting the State's investment in the tourism sector, which has given it ample returns, the Collector said Kashmir had much more potential than Kerala with respect to tourism, and that it needed to be thoroughly explored.

He asked the youngsters to be ambassadors of their State and initiate develop-

ment efforts by being part of the system. The delegation, on the other hand, wanted to know how Kerala had survived the floods in August, and how far the rebuilding process had progressed. They also sought tips to improve the tourism sector in Kashmir, which now contributes only 2% of the State's GDP.

Programme coordinator Harikrishnan P. said the delegation was keen on learn-

ing about Kerala society and culture and the progress made by the State in the education sector.

After the interaction with the Collector, the delegation visited the Indian Institute of Management, Kozhikode. The group will visit the Regional Science Centre and Planetarium, Zoological Survey of India Museum, Krishna Menon Museum, and the Kappad beach in the coming days.

प्रतिशत दिनों दिन बढ़ रहा है मैं जब अपनी सेवा के दौरान कारगिल में था तो मैंने देखा है कि कश्मीर के लोग सभी को साथ लेकर चलने वाले होते हैं कई बार तो ऑपरेशन में भी उन्होंने सेना के फौजियों की मदद की है। वतन को जानो कार्यक्रम के माध्यम से जो भी संस्मरण रहे उसे जाकर वहां के लोगों को अवश्य सुनाना चाहिए। राष्ट्रीय एकता और अखंडता को बनाए रखने के लिए हमें अपने दृष्टिकोण को विकसित करना होगा और समग्रता के आधार पर भारत को देखना होगा। इतनी भाषा-बोली, खान-पान अलग होने के बाद भी हम सब एक हैं यह हमारी एकता को दर्शाता है नई पीढ़ी की जिम्मेदारी इन सब को कायम रखना है।

मनुष्य संभावनाओं का पुंज है, वह प्यार और मोहब्बत से जीना चाहता है। कोई नहीं चाहता कि किसी का खून बहे। कश्मीर की खूबसूरत जमीं पर इस तरह का मंजर क्यों है? जहां आज हर दस कदम पर एक फौजी खड़ा है। समाधान तो बातचीत से ही संभव है हम मिलकर भाईचारे को कायम रखें। यह विचार एमसीयू के कुलसचिव संजय द्विवेदी ने जल एवं भूमि प्रबंधन संस्थान भोपाल में व्यक्त किए। वे नेहरू युवा केंद्र संगठन गृह मंत्रालय भारत सरकार द्वारा आयोजित ‘वतन को जानो’ कार्यक्रम में कश्मीरी युवाओं को संबोधित कर रहे थे। वहीं वक्ता डॉ. सुधीर कुमार शर्मा ने कहा कि हम सब की भाषा, संस्कृति, खान-पान एवं रहन-सहन भिन्न हो लेकिन हम सब की तहजीब एक है।
